

CHICAGO PUBLIC SCHOOLS

VOLUNTEER REGISTRATION PACKET

Dear Prospective Volunteer,

Thank you for your interest in becoming a volunteer in the Chicago Public Schools. We want to make it as easy as possible to enroll as a volunteer. Recognizing our high responsibility to our students, we require that all who will be working with our students—employees and volunteers—undergo background checks. The forms attached will provide the information we need and will enable us to contact you about volunteer opportunities.

Arne Duncan, CEO
Chicago Public Schools

Below is a checklist and description of the forms which you must complete:

Enrollment Form – This information is helpful to us when trying to place you in a school or with a CPS program. Please provide as much information as possible about your interests, preferences, and availability.

Background Investigation Authorization & Release – Board of Education policy requires that prospective volunteers undergo a criminal background investigation. Please make sure that you complete and sign this form. **No person can volunteer until a successful background check has been returned by CPS' Bureau of Safety & Security (BSS).**

Release Form – All prospective volunteers must be interviewed and approved by the principal of the school where you want to volunteer. Please complete the information that pertains to you. Principal approval will be obtained when you are assigned. You must present an acceptable form of identification to the school principal.

Will you be volunteering for at least 5 hours per week? Yes___ No___

If Yes, the Certification of Freedom from Tuberculosis form must be completed by a health care provider.

Will your volunteering involve communication with a student(s) through the Internet? Yes___ No___

If Yes, the school in which you are assigned must obtain permission from the student's parent/guardian using the Internet Permission form.

When these forms are complete, **the originals should be submitted to the CPS school where you will be volunteering or CPS office which is coordinating your placement.** If you are not arranging your volunteer service directly through a school, the office through which you received this packet will make that introduction.

Thank you again for your interest in the Chicago Public Schools. I hope you will find this a satisfying and rewarding experience.

CODE OF CONDUCT

Thank you for your cooperation in respecting the following important guidelines:

I. As a Volunteer, Your Role and Responsibilities in the School Are Unique

1. **UNDERSTAND** that your role is a supportive one. The teacher and principal are completely in charge. If the teacher leaves the room, the teacher in the next room assumes responsibility. You must not be left in charge of a classroom.
2. **REMEMBER** volunteers are only permitted to work with students on school grounds and under the supervision of the public school staff.
3. **MAINTAIN** student confidentiality at all times. Do not discuss any student with anyone except teachers, counselors, and volunteer coordinators.
4. **DON'T** make promises you can't keep. Avoid saying things like "Study hard and you'll definitely pass the test."
5. **USE** good judgment and avoid any compromising situations. Work in a room with other people at all times. Never be left alone with one student out of view of other people. Always keep the door open.
6. **STRICTLY** follow volunteer guidelines and discipline practices. Physical discipline is absolutely prohibited. Ask the teacher and volunteer coordinating staff for assistance with problematic student behavior.
7. **REPORT** immediately to staff persons any physically abusive or sexually exploitive behavior towards a student.

II. Volunteers Take Pride in Being Professional

1. **MAINTAIN** a constructive attitude. Don't make negative comments about the school, its personnel, or the students to other volunteers or individuals outside the school.
2. **BE PROMPT** and consistent in your attendance. Teachers depend on volunteers and plan their work accordingly. Students depend on volunteers even more.
3. **NOTIFY** your school as soon as possible if you must be late or absent.
4. **KEEP** an accurate record of your attendance by signing in each day you volunteer. Also maintain notes and records of daily activity with students.
5. **ESTABLISH** and maintain good and frequent communication with your classroom teacher.
6. **NEVER** be under the influence of drugs or alcohol. Do not smoke on school grounds.
7. **DO NOT** lend money, contribute or solicit money for organizations while you are on school grounds.
8. **DO NOT** use the internet inappropriately by going to websites that are not conducive to a professional or educational environment.

III. Health and Safety Are Always Important

1. **ALERT** school staff immediately if any student has an accident while working with you.
2. **REFER** any student in need of first aid or any type of medication to a teacher or school nurse.
3. **LEARN** and follow fire drill procedures and all school rules.
4. **NOTIFY** the principal of any accident you have on school grounds. A written form must be submitted to the principal within 24 hours.
5. **ALERT** the principal before volunteering in school if you have, or have been exposed to, a communicable disease.

Please remember that you must complete all screening and training requirements before you can become a volunteer. The program/school reserves the right to discontinue your volunteer service for any cause.

Prospective Volunteer obtains packet/forms from a school, external organization (i.e. WITS), or CPS Dept. ("Application Site," or "AS").

Packet is completed and returned to Application Site. Original packets/forms are needed due to required signatures.

AS sends Background Investigation Authorization Form (BIA) to CPS Bureau of Safety & Security.

Security notifies AS whether Prospective Volunteer has criminal background.

If background is clear, Security notifies AS. Principal makes final decision authorizing volunteer in his/her school.

**If AS is an external organization or CPS Dept., that unit sends the completed packet and clearance form to principal notifies the volunteer by phone. Principal makes final decision authorizing volunteer in his/her school.*

If Prospective Volunteer has criminal conviction, Security sends a form to AS stating that the Prospective Volunteer must be fingerprinted.

** If AS is a CPS department, Security returns the BIA to that unit, which sends Security-approved letter to the individual volunteer or organization. (Chief Education Officer designee receives nothing at this point. He/She is only notified when there is a hit upon fingerprinting).*

Prospective Volunteer gets fingerprinted.

Prospective Volunteer **does not** get fingerprinted. The volunteer process has ended and **the applicant may not volunteer.**

If fingerprinting is clear, Security sends a form to AS. Principal makes final decision authorizing volunteer in his/her school.

**If AS is an external organization or CPS Dept., that unit sends the completed packet and clearance form to principal. Principal makes final decision authorizing volunteer in his/her school.*

If fingerprinting shows a criminal conviction, Security notifies the principal of school where applicant would volunteer and she/he and the Chief Education Officer Designee review the complete application.

**If AS is an external organization or CPS Dept, Security returns the fingerprint results to that unit and Chief Education Office designee. Approval of Chief Education Officer designee and CPS department or external organization designee is required.*

If both agree to authorize applicant, the person may volunteer.

If one of them rejects the applicant, the person may not volunteer.
